TAXPAYERS ASSOCIATION MEETING

Mrs. Marjorie Morris presided at a meeting of the Mattapoisett Taxpayers' Association held last Thursday evening at the Town Hall. Under discussion were the town wharves, Chapter 90 work in Mattapoisett and the breakdown of the local school budget. Committees were formed to study each of the above matters to report at a future meeting. Mr. Bayard Warren acted as moderator during the discussion.

Guest speaker was Willis Collyer, a conservation officer of the State Department of Natural Resources, who gave an illustrated talk on the State's blackback flounder tagging project. Mr. Collyer was introduced by Mr. Warren, program chairman.

VICTORY DANCE FOR AMBULANCE DRIVE

The Ambulance Fund Drive Committee has announced the complete success of its drive with the sum of \$8310.33 already reported. A most successful dance was conducted on Friday evening, November 3rd, at K of C Hall, Mattapoisett where more than one hundred couples joined in dancing. Refreshments were served and door prizes were given. The hall was gayly decorated with balloons. The musicians in the orchestra donated their services to the cause.

Due to the success of this project it will now be possible to purchase not only the ambulance but a radio can be installed in it. Any persons wishing to still donate may do so for this coming week before the project closes. The chairman and his committee ex-

VETERAN'S DAY

The lady stopped Benjamin Franklin and asked, "What have you given us, Mr. Franklin?" He replied, "A Republic, if you can keep it." Never before had a government been created which placed such high value and trust in the citizen so no wonder Franklin added, "if you can keep it". It has been tested ever since. Our citizens have risen to every challenge and the nation has emerged stronger with every increasing responsibilities. The American veteran has played so great a role in keeping the republic that all citizens honor them this November 11th. Our fate today and tomorrow rests on the shoulders of our defenders in uniform just as it did in the past. Republics are not kept by weaklings. Peace, too, is kept only by the strong.

MATTAPOISETT GRANGE MEETING

The Mattapoisett Grange held its bi-monthly meeting Thursday night. Honored guests were Alphonse Spirlet, master of South Middleboro Grange; and Mrs. Herbert Cleveland, master of O-ne-set Grange. Both spoke briefly.

An invitation was read from the committee in charge of the banquet to honor the newly elected State Master, John E. Johnson of Chelmsford.

The worthy Flora reported Frederick Manning ill with a cold. Mrs. Dorothy Harris reported the activities of the Juvenile Grange and pointed out that there were pictures on the bulletin board of the youngsters in costume at their recent Halloween party.

Marion Hatton, chairman of the Home and Community Service Committee, announced donations were being accepted on a turkey, proceeds to help finance a first aid kit to be given to the Civil Defense in Mattapoisett. This is one of the Home and Community Service's projects. There will be a card party at the home of the master, Mrs. Mildred LeBaron, Wednesday afternoon, November 8th, by this committee.

A report on agriculture was given by Earle Wilson, suggesting members send for the seed catalog as soon as possible to get ready for the Spring planting.

Mrs. LeBaron gave the report of the State Grange session held in Springfield, bringing out the important facts of interest to the

Mahoney & Sons to a 2 to 1 win from Herbs TV Shop. Lloyds Market threw in the sponge as Frank Walsh's 390 sparked Hillers Garage to a 3 to 0 sweep. Gibbs Farm Dairy (Bob Madeira 363) squeezed two points from Hartley's Garage. Dick Souza hit 359 for the fixers.

PRINCIPAL SPEAKS AT WOMAN'S CLUB

At a very well attended meeting of the Rochester Woman's Club members heard an address by Harold M. Gay, principal of the Rochester Memorial School. He spoke on "Teaching of the Individual Child".

Mr. Gay employed the use of graphs and drawings to illustrate his talk and presented interesting classroom situations that often confront the teacher. He said that one of the frustrations of teaching is not being able to reach certain children. Each child is an individual and learns differently because of background and varied I.Q.'s. Each child applies himself in a different way to an assignment or a given situation. Therefore, the teacher must formulate plans of work and elucidate clearly in order to cater to the needs of every child in the classroom.

Mrs. Fred Church presided at the business meeting. She announced that Mrs. Alphonse Raymond and Mrs. Henry Hartley plan to represent the club at the First District meet-

It was voted to have a food sale at the club house on Saturday, November 18, from 2:00 to 5:00 P.M. Mrs. Robert Felton will be chairman and will be assisted by Mmes. Albert Hellyer and Raymond King. Also featured will be a white elephant table in charge of Mrs. Alphonse Raymond, and a rummage sale in the lower hall in charge of co-chairmen, Mrs. George Church and Mrs. Everett Hardy, assisted by Mrs. Timothy O'Brien and Mrs. Henry Smith.

A beautiful large knitted afghan was on display at the meeting made under the direction of Mrs. Kenneth Winslow, chairman of the Veterans' committee. Club members contributed money and knitted squares for this project and it will be sent to a local veterans' hospital.

THE TRUTH

Truth is told in Moscow when convenient. The
degradation of Stalin from Soviet god to the
actual monster he was suits the schemes of
Khrushchev so he finally uses the truth. As
soon as Khrushchev is safely disposed of by
death or his deadly brother Communists, he may
also be erased from history. At that time it
is conceivable that Stalin will be retrieved
from under his black rock, dusted off and put
back on display as a god under glass. The
trouble with rewriting history is that eventual-
ly the tangled web of lies catches up with
and haunts the liars. In this system where
there is no honor among the living there is
no honor or rest for the dead. Khrushchev
has no bed of roses to contemplate in the fu-
ture whether alive or dead.

One would think that the United States would
be different. In this country, we are supposed
to have great regard for the truth and for
the freedom to speak. The sad truth is that
we are changing this principle. General Walker
has had a lifetime career destroyed for in-
structing his troops in American principles
in order to give them the will to defend these
principles. Considering how this country leans
over backwards to protect the rights of Com-
munist citizens of this country, it seems rather
sad that patriotic Americans can't receive a

similar tolerance. General Walker's great sin was being a conservative with a concern for the morale of his men. It is a blow for this country to lose this kind of a general but he will be a great asset as a civilian where presumably he may speak the truth as a patriotic American.

OPEN HOUSE AT P-TA

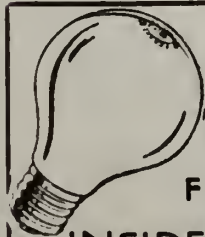

Open House in the classrooms will be observed this Thursday night at the Mattapoisett Center School in observance of National Education Week. A P-TC meeting will follow. Hostess during the social hour will be Mrs. Milton Thompson.

ENGAGEMENT ANNOUNCED

BROWNIES HAVE HALLOWEEN PARTY

Brownies of Troop 177, Rochester were feted at a Halloween party held at the Rochester Memorial School auditorium. All Brownies wore paper bag masks which they were requested to make at home.

Jill Deakin was awarded the prize for having the funniest mask which included orange wool hair. Gloria Zalewski received the prize for the most original, having lace favors and patchwork eyes. Judge was Mrs. Dorothy Bonnar, Grade 6 teacher at the Rochester school. Harold M. Gay, principal, and Mrs. Violet Tillson, special class teacher, viewed the paper bag masks and praised the individual effort of each Brownie.

Games were played and Patricia Savaria won first prize for making the first bite into an apple hung on a string and suspended. Songs appropriate for the Halloween season were sung. Peggy Thompson won the prize for pinning the stem on the pumpkin.

Cider and doughnuts were served by Troop 177 committee members with Mrs. William Deakin, chairman, assisted by Mrs. George M. LeConte, Mrs. C. Stephen Lawrence and Mrs. Frank L. Morse. Assisting with the game arrangements were Troop leaders Mrs. Madeline Arruda, Mrs. Eunice Jenkins and Mrs. Elaine Landis.

Dear friends,

It is generally believed that the art of embalming saw its highest perfection in ancient Egypt. We can assure you that there was nothing in their method which cannot now be duplicated. Equipment comparable to that in a modern hospital is used.

Our state requirements on embalming are very rigid.

Respectfully,

Carl C. Cornwell
